Venue : Shivaji English Medium School CBSE
Pattern, Saswad.

Date : 11th Jan 2019

Time : 9:00 a.m

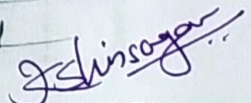

Agenda : Fee hike

Minutes of the meeting

Today a PTA meeting was called on 11th Jan 2019 at 9:00 a.m in the morning regarding rise in the fees of the students from the academic year 2019-20.

Firstly our principal ma'am welcomed the PTA members. She asked them about recently held Annual Function. To this they said they liked the theme and were happy with the arrangements and preparations. They gave one suggestion that the participants ^{should be called} a little late for the function.

- 1) Then Pathak ma'am put the proposal of 10% fee hike in front of them for consideration.
- 2) Ma'am told the present scenario and the need of fee hike for the betterment and growth of our school. She also told in the meeting that fee hike is asked to be done by 10% only. Mr. Vijay Waghmare, Joint secretary and other PTA members did not agree for this. Ms. Runam Shinde ma'am, vice chairperson of PTA said that this will

affect the number of admission for the academic year 2019-20

- 3) To this Pathak ma'am explained them that the new separate building for CBSE is to be built this year, the new teachers for higher classes to be appointed, increments of the teachers and the other expenses of the school need to be met from the funds collected as fees
- 4) Then Ms. Ningude PTA member advised madam that the 10% fee hike is more for the parents because two wards are here so she asked to raise the fee up to 8% which will not be a heavy burden for parents financially.
- 5) Pathak ma'am agreed to this fee hike by 8% for the students of std II onwards and will be 15% only for the students of I std which will continue for other standards as the batch moves to new class

Also the admission fees for the new students will be Rs 15,000/- from the academic year 2019-20 as decided by the secretary Hon. Shri Sanjay Jagtap Sir.

PTA MEETING - V

As we all know fees hike was done with permission of all PTA members from the academic year 2019-20.

The previous fees and the latest fees after fees hike is as follows -

	Previous Fees	Latest Fee
Std - I	26,000/-	29,900/-
Std - II	26,000/-	28,080/-
Std - III, IV & V	24,200/-	29,376/-
Std - VI, VII & VIII	30,000/-	32,400/-

But for the administrative convenience & easy money transaction these figures will be rounded off from the year 2020-21. These are as follows -

Std - II	28,080/-	29,900/-
Std - III, IV & V	29,376/-	29,400/-

It was found that II std fees were a little less than std - I. We have therefore made fees of both the standards equal.
