Subject: Fees Revision

BCA & Jr. College run by WIL is a permanently unaided English Medium School. We charge fees to the students and revise them time to time to meet the expenditure incurred on employees' salary, infrastructural developments, facilities etc. Viewing salary increments of employees, requirement of additional facilities and infrastructure due to substantial increase in students' strength, we had revised school fees from the academic year 2020-21 with Resolution No.7 of EPTA meeting dated 07.03.2020.

1. In case of outsider wards, we revise school fees after every TWO years as resolved in PTA. We had revised school fees for outsider wards @20% rise for 2020-21 & 2021-22.
2. In case of WIL wards, Fees was revised while maintaining 50% concession to the outsider rate after TWO years 2020-21 & 2021-22.
3. Simultaneously we had revised School fees for SWV/PRI/WSB wards while maintaining 25% concession to the outsider rate.
4. It was resolved to revise fees of BCA wards to avail only 75% concession to the outsider rate.
5. As per practice, WIL Management compensates the Fees deficit caused by the fees concession, rendered to the WIL / SWV / PRI / BCA wards.
6. It was further resolved to continue the present provision of late fees for the late payers who will pay school fees after 31st July with revised rate.
7. Further to this, it was resolved that fees of CRTM, SMS (arranged for better education and communication through Students' Store) will be collected with Annual fees in case of outsider, SWV, PRI, WSB wards & separate receipt will be generated for the same through Students' Store. In case of WIL & BCA Wards these fees will be recovered from Salary in 03 installments.
8. The fees was revised for 02 academic years 2020-21 and 2021-22

Financial Decisions during Corona pandemic
