Minutes of Third PTA Meeting 2020-21

Ms. Shubha Shashidharan welcomed everyone present for the 3rd PTA Meeting. The attendance was noted. An important announcement was made regarding updation of student details, which is a mandate from the Education Department. The parents need to update their wards Aadhar card number, religion and caste via ERP, for which a circular will be shared shortly. The PTA members were requested to please raise awareness amongst the parents regarding the same.

The previously shared MOM of the 2nd PTA meeting was read out by the Joint Secretary, Ms. Aparna Singh Vaid. Ms. Vaid also shared the agenda of the 3rd meeting.

The agenda points for the 3rd PTA meeting as follows:

- 1. Online classes, LMS
- 2. Physical reopening of school Covid 19 Indemnity form
- 3. Awareness and reiteration of safety measures to contain Covid 19 as per the CISCE guidelines
- 4. Outstanding fees suggestions from parent members
 - 5. Fees

3.a. Online classes, LMS: - Ms. Vaid spoke a pout LMS how things were streamlined due to LMS. The LMS helped to set timelines for the papers. The SOP was shared with parents, which helped the parents and students equally and the answer sheets were uploaded for corrections. The teachers also corrected the papers digitally, which were made visible to parents for reviews. Introducing LMS was a very exhaustive decision and DYPIS has been appreciated for the same. The PTA members were taken through a presentation elaborating the quality and excellence of the virtual classes conducted by the school.

Ms. Vaid spoke about the NISHTHA courses (professional development courses for teachers) offered by CISCE which our teachers are currently undertaking.

Parents were also informed about the complimentary Yoga sessions that the school has undertaken for students on Sundays. Parents have been encouraged to make use of these sessions.

Ms. Mittal has few concerns regarding the corrections, which Ms. Vaid addressed and assured that they will be looked into. All mails addressed to helpdesk for the same are being looked into and addressed.

Physical reopening of school - Covid 19 Indemnity form: -

3.b. Awareness and reiteration of safety measures to contain Covid 19 as per the CISCE guidelines: -

Ms. Banwar spoke about the indemnity form for students of Grades IX & X. The form will be sent to grade IX & X students by mid of December as the physical reopening of school for the higher grades has been considered from January 4, 2021. Ms. Banwar also spoke about SUPW for Grades IX and X and how it is an important activity for Grade X.

The school is taking all precautions and care in the absence of the students as well. Regular sanitization and fumigation of the school premises is undertaken.

Ms. Gautam and Mr. Chattar had a query if physical classes would start for Grades I to VIII. The PTA Chairman stated that classes will start only as per the directives announced. Members were also concerned about the status of online classes if physical classes start. It was reiterated that either of the mode of education will continue, either physical or virtual.

The PTA Chairman appreciated the efforts put by the academic team in making the virtual classes a great success. She highly appreciated the parent community. Parents positive and genuine appreciation for LMS were also appreciated.

Outstanding fees – suggestions from parent members: - The PTA Chairman asked the PTA members for suggestions towards the outstanding dues. She discussed that appropriate concessions have been given to parents who have lost their jobs, even those who were struck with COVID 19. She also stated that such students are continuing to attend classes and they were not refrained from attending the Term I assessments as well. For fee payments, multiple extensions were given and the school had also not levied late charges. The school was always in constant touch with the parents with regards to fee extensions.

Mr. Singh suggested that considering the pandemic, affected students should be allowed to attend the classes for this academic year and they should be given time to clear their fees. He suggested that they can be allowed to pay in Installments. He also volunteered to contact the defaulter parents for the grade and division he is representing, regarding the payment of dues. The Chairman thanked Mr. Singh and appreciated his suggestion, however, due to confidentiality outstanding details cannot be shared with the parents.

Fees: - As per discussions in the previous meeting, The PTA Chairman announced the revision in the fee structure for the academic year 2021 – 22. A 15% revision was looked forward to for the upcoming year but considering the adversities of the pandemic the school has again been highly supportive to the parent community. A very marginal revision of 8% revision in the tuition fees and Cafeteria fees were proposed and agreed for all admissions done before December 6, 2018.

| Grades | Fees applicable for AY 2020 - 21 | Fee applicable from AY 2021 - 22 |
|----------------|----------------------------------|----------------------------------|
| Grades I to V | Rs. 69,000/- | Rs. 74,520/- |
| Grades VI to X | Rs. 97,750/- | Rs. 1,05,550/- |

Mr. Gautam spoke about non standardization of fees for old and new students. He also appreciated the teachers efforts. Mr. Chattar also recognized the efforts put by the teachers and he mentioned that without the LMS conducting the virtual Term End assessment would have not been imagined. He appreciated the entire school team. The PTA Chairman explained here that despite all heavy costs incurred by the school for the effective conduct of virtual classes and license fees for ERP, MS Teams, LMS, etc. the school did not charge the parents any extra charges and so the marginal fee revision was imperative and essential to accommodate the communities that the school raises and fosters.

Only one PTA member, Ms. Dhasal mentioned that the school infrastructure is not being used and the classes are conducted online, thereby the fee revision may necessarily not be required. The Chairman stated here that depending on the directives from the Government, physical classes can resume for the next academic session and also elaborated the details for the marginal fee revision.

Mr. Gautam again raised about the difference in the fee structure for new and old students. The Chairman assured that there has been no fee revision for the new students (admissions taken after December 6, 2018). Their fees for the academic year 2021 - 22 will remain the same as the current academic year and the revision could be given a thought for the AY 2022-23 as a fee revision of 7% is envisaged in the year after for all stakeholders old and new.

The Chairman stated that the Cafeteria booklets introduced in 2019 - 20 were very popular among students and we will continue with the same.

| Particulars | Half Yearly Fees(2020 -21 | Revised Half Yearly Fees(2021-22) | Yearly Fees(2020- 21) | Revised Full Yearly Fees(2021- 22) |
|------------------------------------|---------------------------------|---|-----------------------------|---|
| Brunch (Pre- primary) | Rs. 3,500/- | Rs. 3,800/- | Rs. 7,000/- | Rs. 7,600/- |
| Brunch (Primary & Secondary) | Rs. 6,000/- | Rs. 6,500/- | Rs. 12,000/- | Rs. 13,000/- |
| Cafeteria booklet | | Rs. 750/- | | Rs. 1,000/- |

The transport fees revision for the upcoming year is imperative as well which will be informed to parents later in April/May 2021 subject to quotes from vendor and the directives from the Government considering the pandemic.

The fee revision circular will be published to parents in January 2021.

Mr. Gautam spoke about frequent changes in the Physics teacher. This concern was raised by Mr. Jangir as well. The PTA Chairman mentioned that the previous Physics teacher was absconding and immediately the replacement is in place. The new teacher is being mentored by the Academic Coordinator & HOD – Physics, Ms. Aparna Singh Vaid.

- The PTA Chairman and Joint Secretary thanked all the members present for attending the virtual meeting and the meeting ended on a cordial note.
