

To  
The Deputy Director of Education,  
Poonn Region, Poonn.

Reference: Your letter No. 11/29-2 (122) PTV dated 21/1/74 &  
4/5/1974.

In view of the following facts reported by you, permission is hereby granted (ex-post facto) to shift the New English School, Vasunde, Taluka Dhond to Karkhel, Taluka Pramati managed by the Swami Vivekanand Shikshan Sanstha:

- (a) The need of the school was felt at Karkhel because schooling facilities within a radius of 12 miles are not available.
  - (b) By granting this permission, pupils studying at Deulgaon, Sonawadi, Undvadi, Vasunde and Karkhel will be benefited.
  - (c) Karkhel has better communication facilities than Vasunde
  - (d) The school was already shifted on 26/6/71 and is reported to have adequate enrolment which means that the need of the secondary school in this area is properly fulfilled.
- The management, however, should have obtained this permission before actually shifting the school in June, 1971. Since this was done, penal out of 1% is imposed and should be recovered from the maintenance grant for which the management may be entitled, for the year 1974-75.

The Education Officer, Z.P. Poonn should have insisted for obtaining orders from the competent authority before grant was released in favour of the management in the years 1971-72, 72-73 and 1973-74. Since this was not done, the Education Officer, Z.P., Poonn should be requested to explain the circumstances in which the grants were released without insisting for orders from the competent authority.
