Subject:- Scheme for payment of salaries
through Co-Operative Banks
Approval of the Staff ---
Information required for the . -----

Salaries of the teaching & non teaching staff, admissible according to the rules of S.S.Code, are payable by Govt. under the above Scheme. This needs that the staff of each school should be approved by this office.

For this purpose information in respect of the staff was called for under this office letter dated 14.2.1973. In the same letter you were also requested to send the time table to enable this office to know the work load of each teacher in terms of clock hours & thus to arrive at the admissible number of teaching staff. Information regarding the staff has been received from a fairly large number of Schools, but a very few schools have furnished the time tables. Even in respect of many schools, from whom the time tables have been received, the position is not satisfactory as the duration of each period has not been shown in the time table & hence calculation of work load, in terms of time, is not possible. In these time tables information furnished covered the subjects taught & the class to which it was taught. This office is not interested in the actual subject taught & the standard or class to which it is taught. What this office wants is only the length of the period the teacher works for. Thus the information to be furnished in respect of each full time teacher is the number of periods of each duration (such as 50 minutes, 45 minutes, 40 minutes, 35 minutes, 30 minutes etc.) the teacher works each day of the week. This will enable finding of total number of

2.....

total number of

periods of each duration for the whole week & thus calculate the work load for the week in minutes & converted into hours.

Profarma-A-I has therefore been now prescribed. A specimen hypothetical example for this profarma is worked out below for your guidance. Information in respect of all the full time teachers in your school should be worked out on these lines & submitted to this office in triplicate urgently. The following example will show how information in respect of each teacher is to be filled in columns from 3 to 12 of the profarma- A-I

| Name of the teacher:- | Shri X | | | Y | | | Z | | | |
|-----------------------|--------|---|---|---|---|---|---|----|----|--------------|
| Col. | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| Minutes | 50 | 1 | | 1 | | | | 2 | | 100 |
| | 45 | 2 | 3 | | 2 | 2 | | 9 | | 405 |
| | 40 | | | 3 | | 2 | | 5 | | 200 |
| | 35 | 2 | 3 | | 2 | | 2 | 9 | | 315 |
| | 30 | 1 | | 2 | 2 | 2 | 2 | 9 | | 270 |
| Total | | 6 | 6 | 6 | 6 | 6 | 4 | 34 | | 1290 : 21-30 |

The duration of the periods in minutes to be shown in Col. 3 above should be shown only as actually observed in your School.

It is also necessary to consider & approve the strength of other members of the teaching staff & who are not doing full time teaching work as also the strength of the non teaching staff.

non teaching staff.

For this purpose, in all six proformas as mentioned below are enclosed. You are requested to furnish this office urgently in triplicate information in all these proformas. In case there is no information to be furnished in any of the proforma, the information in the concerned columns there-of should be shown as NIL.

Two proformas A-I & A-II
for teaching staff

Four proformas- B-I, B-II, B-III & B-IV
for members of Non teaching staff.

It is also necessary to study the impact of the G.R.E. & S.w.D. No.SSN 3870/86806-E(II)dated 27.9.71, which states that all the teachers admissible for teaching to classes from VIII to XI should be graduates & /or trained graduates. Those for teaching to classes from V to VII from the academic year 1972-73 & onwards should be in the ratio one to three (i.e. 25% graduates & 75% under graduates) If the total number of graduate teachers prior to 1972-73 was in excess of the number of graduate teachers admissible as above, the staff was to be suitably adjusted to the admissible limits by filling subsequent vacancies of graduate teachers by appointing under graduate teachers only. To enable this office to study this problem you are requested to furnish information in the attached proformas C-I & C-II.

It is likely that vacancies in teachers' posts might have arisen during the years 1972-73 & 1973-74 owing to death, retirement, resignation, termination of services, creation of new posts etc. & these vacancies might have been filled in during these years. Information on this account may please be supplied in the proforma C-II.

You are requested to report the steps taken by you to adjust the excess number of graduate teachers.

You are requested to acknowledge the receipt of this letter by return of post & also send the detailed information very urgently. Code number of your School, already communicated to you, should invariably be quoted in all your correspondence with this office.

You are also requested to use paper of half sheet size only for preparing these eight statements.

अहोदय,

आपल्या माध्यमिक शाळांत जून/जुलै १९७२ पासून इयत्ता ५ वी ते
