It is seen that since June 1990 you have again started asking payment to these schools through the Cantt. Board office. I would like to clarify that the Cantt. Board is a statutory body constituted under the Central Act, known as the Cantonments Act 1924 as amended from time to time. In keeping with the obligations enjoined upon the Board under the Cantonments Act, the Board has established 7 primary schools within the Cantonment limits. The administration and management including recruitment and payments etc. in respect of these ~~schools~~ 7 schools are the responsibility of the Cantonment Board.

This office is therefore not obliged as per the statute - to accept any responsibility whatsoever pertaining to the private schools established by different agencies in the Cantonment. Further the Board has no staff to process the claim, pay bills etc. received from the 16 schools. The recruitment and administration of these private schools are not being done in consultation with the Cantonment Board. The Cantonment
