### Parents Feedback about school:-

Parent of Grade 10: Prajakta Jain appreciated the school in following words.

1. Few parents discuss negative points about school in what's app group. This is not correct, instead if any parent have issues they should meet standard incharge and get the issue resolved.
2. I Know 90% schools in Pune , who are not providing good amenities and quality of education but the schools and are charging high fees but Aaryans world school provides amenities and quality education so co operate and extend help to the school when needed as we are part of the school.
3. I haven't seen any director of the school personally resolving the parents issues, even I would like to thank MD Sir / Principal / Staff who are always resolving our issues promptly.

**Conclusion:** Parents gave positive gesture by nodding the head to the EPTA member Ms. Prajakta Jain.

Meeting concluded within one and half hour with a good note of working in harmony for the well being of the institution.
