

length to give time to the parents to make the payment during the academic session. It was also discussed that and decided that fee concession could be given to those who are really struggling financially. Whatever may be the financial position the staff should be paid their full salary as far as possible. Franeline informed the floor that the salary was never cut not delayed on any month. Everyone appreciated the openness of the management.

③ Fee hike

After discussing at length, the SMC approved the proposal put forward by the school management with regard to the fee hike. The revised fee structure will come to effect from the academic session 2022-23, commencing from April 2022. The following would be the fee structure for the coming academic session.

Std. II - 12 Rs 53,000/-

1 - 10 Rs 46,000/-

U.K.G - 45,000

L.K.G - 56,000

Nursery 56,000

Considering the financial difficulties of the parents the school had not increased the fees for the last three academic sessions.

④ Digitizing the class rooms

As the campus life is ^{limping} coming back to normalcy, the management felt the need to improve the facilities at the class room by providing LED panels in each class room. SMC recommended that the panels could be installed stage by stage as the fee inflow improves. Franeline informed
