Minutes of the PTA Meeting

2022-23.

- The members were welcomed.
- Silveira ma'am then read out the minutes of the previous meeting.
- She then requested the members to give their feedback about the academics.
- One of the senior teachers asked the members what they felt about the extra-curricular activities for the year.
- Silveira ma'am then informed the parents that they should read the diary as well, as the rules are mentioned there, and try to follow them.
- Ma'am explained to the parents that they must set aside some time for the students to do self-

study and all the homework should be completed daily, as it is not much and practice is required.

- Ma'am also explained to the parents regarding the transport fees and dues that have to be cleared on time

Comments: The parents were happy with the academics and all the extra-curricular activities done

- The members were pleased that the P.T. and games sir was starting new games & the children were taking an interest in learning new sports.
- The parents were happy with the annual day, but requested another venue next time.
- Some parents mentioned about the school time 9 to 12 for Nursery to sr.kg.
- As there were no other points brought up, the meeting closed with a vote of thanks.
