VI to VII vide resolution No. 75 Dated 10.08.1962

on Permanently Un-Aided Basis. We have received first approval for opening of school. But first approval letter is not traceable with our office, for this we have also approached School Board Office, but during the year 1961 flood all the records of School Board were damaged in flood. Some registers are available but are not legible.

We undertake that, if we find documents we will submit the same to you.
