Dear Shri Bhelade,

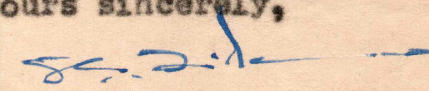

Please refer to your D.O. letter No. SSN/3874/2003/(II) E dated 10.2.75 regarding opening of new secondary schools permanently on no grant-in-aid basis at Kirkee and at Chinchwad.

St. Ursula School at Chinchwad was recognised as a secondary school with English Medium during 1974.75 for VIIIth and IXth stds and the All Saints school Kirkee was recognised during 74-75 for std. VIII th only.

The recognition to both these schools was granted during 74-75 only under Government letter No. SSN/3874/2003 (II) E dt. 6-11-74. The Managements have approached me for granting permission to open std. Xth and std. IX respectively as a normal expansion of the school. I am, therefore, to request you to move Government to issue the necessary orders in the matter to enable the schools concerned to admit the students the school in respective classes during 75-76 and to enable the Education Officer, Zilla Parishad, Poona to issue the necessary orders sanctioning stds IX and Xth to the above mentioned schools.

Early orders may kindly be issued.

Yours sincerely,

S.G.TIKAM
