

MINUTES OF SECOND PTA MEETING

PAGE No.

DATE

Day :- Thursday

Date :- 12/12/2019

Venue :- Headmistress's Office

Second PTA meeting was held on Thursday, 12th Dec, 2019 to discuss some important points, as Annual Day Celebration was round the corner. Meeting commenced with a short prayer by principal Sr. Tresa. Total 15 members were present for this meeting. Invitation cards of Annual Day were given to all the PTA members and sister requested them to help out to maintain the discipline on Annual Day i.e. on 21st Dec.

Dates of II unit test were announced for the classes I to IX. Sister Tresa showed the revision time table prepared for 10th class students after 15th Dec. and put forth her planning of 3 preliminary exams. Sister Tresa announced that next year extra lectures for X class will begin from the month of June itself, and put forth her idea of introducing CBSE/private syllabus from Junior to V class. She further convinced that it will be good to raise the standard of our students and create their base in a right manner because when they go out for any competitive exams like NEET/ JEE/CET etc, they face lot of struggle. All of them agreed to the point.

Mr. Vikas Gore suggested to have a prior meeting for parents of class I to V before introducing private syllabus. Sr. Tresa further added that School Management is thinking to change the present school uniform as well as to accept online payment of fees. Sister also informed about the change in school building which will begin in few days and also planning of +12 next year.

Sister Tresa asked if PTA members have any questions or suggestions. Mr. Vikas Gore asked about the hike in the

school fees next year. Sister replied it by saying that it would be maximum 15%, not more than that. Sister also said that if we change school uniform next year, students will be given one year concession to use the old uniform.

Sister also spoke about recent government rule of not to use stick to punish or beat any student but she clearly expressed her views with a famous saying, "we spare the rod, spoil the children," and thus highlighted the need and importance of some disciplinary actions. One parent appreciated Sister Tresa by saying that since she has joined this school, school is running smoothly. Sister expressed her gratitude towards the parents.

Meeting ended with a short prayer by Sister Tresa.
Thank you!
