Respected Principal and Chairperson of PTA of Secondary and Higher Secondary Sections Mrs. Meena Rane put forth the proposal of hike for the next academic year i.e. for 2023-24. She informed the forum that the school management has proposed to increase the school fees by 15% as per the guidelines given by the Education Department. She also read out the details of the expected changes in the fees structure. Further she explained that our school has been following the same fees structure since the year 2018-19. She informed that the last fee hike proposal was sanctioned in the PTA meeting conducted in the year 2018-19 which was to be implemented in the year 2019-20. However because of the Covid-19 pandemic situation, the fee hike was not implemented in the year 2020-21. Considering the financial crisis among the parents. She reminded the forum that, rather, the fees were reduced by 15% in the year 2021-22. In the year 2022-23 the fee structure was restored to that of 2018-19.

Respected Principal & Chairperson of PTA of Secondary and Higher Secondary Section, Mrs. Meena Rane informed the forum that as our school being a permanently unaided school, we depend totally on school fees for the school's expenses. The funds that we receive through fees help in the smooth functioning of the school. Hence, the fee hike is necessary.

The entire PTA forum agreed with the proposal of the respected Principal and Chairperson of PTA.

Mrs. Meena Rane and the fee hike proposal was accepted unanimously by the PTA forum.

Respected Principal and Chairperson of PTA, Mrs. Meena Rane thanked the PTA forum for their whole hearted acceptance of fee hike proposal.

However conducting any sessions for students and parents together may be difficult as the capacity of the auditorium is 400 persons. Moreover, the counsellor is in regular practice of visiting various classes and motivating the students. She also mentioned the 'Heartfulness' session arranged in school for Std X students. She also informed that a special session for parents is
