Agenda: Proposal for Fee Hike for Academic Year 2024-25

Resolution 1:

The Principal presented a detailed report of the previous year's expenditure and the estimated costs for the upcoming academic year. Considering increased costs for rent, electricity, teacher salaries, infrastructure maintenance, and academic programs in a self-financed school, a fee hike of **6.66%** was proposed.

Resolution 2:

Parent and teacher representatives discussed the proposal in detail. Some parents suggested implementing the hike in a phased manner and providing concessions to deserving students.

Resolution 3:

All members unanimously approved the proposed **6.66%** fee hike, which will be effective from **01/04/2024**
