

Jeev Subramaniam Memorial Educational Trust's
Sungrace High School and Junior College, Pune

Dear Parents,

The academic year 2020-21 was very challenging due to pandemic situation.

We express our sincere gratitude for your valuable support. It was observed that online classes were not as effective as physical classes and has given to the formation of some unwanted habits like deterioration in writing, loss of focus on studies, reading and learning issues, books completion, irregularity in attendance, behaviour of the child during and after in school on road etc. Henceforth any child if found violating the school rules and regulations of the school or any kind of misbehaviour will be dealt very seriously and may result in dismissal of the ward without serving any notice thereof.

We also like to inform you that the school fees which was to be increased in the academic year 2020-21 was deferred twice. However, due to the inflation and escalation in prices combined with the fact that the fees have remained the same over the last four years, the management has now decided to increase the school fees from the next academic year i.e., 2022-23 by 15%. The said matter was also taken up and passed at the PTA Executive Committee on 1st April 2022

We look forward to your understanding and continuous support, and co-operation.

We the Parents of _____ studying in class _____ have read and understood the above-mentioned points. I hereby voluntarily give my consent to abide them.
