The meeting began with the Welcome address by Ms. Rashida Hasta.

This was followed by the address of Principal, Dr. Rupali Dhamdhare. Dr. Dhamdhare asserted that this was the last PTA of the academic year hence was of great importance. She explained the importance and responsibility of the class representative to attend the meeting. Principal started the meeting with a poor attendance as per the agenda-

Annual Function: For the Foundational Section we had staged child friendly short stories. The students enacted the same and also performed dances related to the theme. Grade III to IX and XII performed on the theme 'Maharisa'. This was based on the 'Art Integration' sent by CBSE wherein the traditional and cultural blend of the two states were staged.

Sports Day: House wise sports activities were organized for the Grade 1 to X and XI. The students of the foundation level had a lively and fun filled representation of the sports activities on the field. Pre-primary had a policy that everyone is a winner and he/she is a champion on his/her own level. All the participants were awarded with a medal.

Principal acknowledged and praised the students who excelled in different fields - just to address a few Mast. Pranad Kadam on his sincere efforts in the **Spike Sports Championship** and getting the Runner-up position through his sheer determination and skill.

Prajwal Ambekar secured a **Gold medal** during the esteemed **Vovinam Maharashtra State Championship** this stunning achievement of his has left us all in awe and he has also scored a **Silver medal** during the **1st Pune District Level Thai Boxing Selection Championship** in the field of Martial Arts. **Niva Kulurkar** Participation Certificate in 3 vs. 3, Youth Basketball Tournament organised by **Lions Club of Poona Sarasbaug**.

Board Practical & Exam Preparation:

The Practical Examinations/Project/Internal Assessments was conducted by the schools itself for regular students only as per the curriculum of the subject concerned.

No external examiner was appointed by the Board for class-X. The Board appointed External Examiners in each school for conducting Practical Examinations and Project Assessments as per the modalities and subjects.

The CBSE Board Practical commenced from the 3rd of January and culminated on 17th of January.

Grade X and XII Commence with their classes from 20th of March and will continue till mid of May. The almanac will contain the detailed planning structure.

Internship Programs are planned for the session. The parents were asked if their wards would be allowed to sent to the assigned places, to which parents happily agreed. Overnight field trips were also agreed upon by the parents for the classes from V- XII

Remedial and Revision classes are conducted time to time keeping in mind the academic progress of the students.

The students are at times under emotional stress and this has always been taken care by the school counselors. Recently the school held a session on Good Touch and Bad Touch at all levels to make the students aware of the concern.
